TO WHOM IT MAY CONCERN

M/s. Hashi Decorative & Associate of Pratapgarh, New Road, Kolkata-700 049 is a firm engaged in beautification and face lift work in Industrial and non-industrial situations, gardening and environmental engineering projects. This firm has shown a lot of creativity in designing and executing several projects of beautification in Rifle Factory, Ishapore when I was the General Manager of the Factory. All their projects are intended to create a better environment in the industry.

I wish them further success in the pursuit of making a drab industrial environment a beautiful and soothing one.
